## Golf Operations Update Saturday, April 25th

- Golf Shop opens Monday, April 27th 7am - 6pm. Capacity will be restricted to a maximum of 4 members/guests with a designed entrance through the door off the veranda and exit through the door leading to the hallway. Proper distancing of 6' should be practiced at all times inside and out
- Check in for play and practice will remain outside on the range for the immediate future
- Crooked Oaks is the only course open for play. Beginning Saturday, May 2nd, tee times will run from 7am - 6pm through the rest of the summer.
- We are filling the tee sheet every day so book your tee times early and cancel early when not needed - someone else will. Cancellations and changes naturally happen throughout each day, so we are maintaining a waiting list for members not able to secure a time - please use it so we can accommodate as many member requests as possible.
- Singles and twosomes will be paired to maximize tee space giving more members the opportunity to get a tee time

Our goal is to keep everyone safe and healthy so we are continuing operations under the COVID-19 practices put in place several weeks ago. They are listed below for your reference.

- Towels, coolers, scorecards and pencils have been removed from the carts. Scorecards and pencils may be individually picked up from the Starters table near the range. We recommend that you bring your own towel and water bottle.
- After play, no lingering. Gathering after the round in groups of larger than 3 has been prohibited by SC Executive Order. Tip your hat, gather your belongings and please leave the Club property immediately upon completion of play.
- Locker rooms remain closed to members and guests. Restrooms will remain open.
- Tee times may be made via phone (843) 768 - 2529 and online in the members' section of [www.discoverseabrook.com](http://www.discoverseabrook.com). For same day play, please call the golf shop.
- Mixed Couples, MGA and SILGA are using online scoring. Printed scorecards for all group play are not be available at this time.
- Cart usage is limited to single riders only with the exception of family members who may choose to ride together. However, walking is encouraged. There is a limited supply of golf carts. They will be available as long as the supply lasts.
- Members may use their own push carts as a temporary adjustment to normal operating procedures - normal rates still apply.

- Golf bag storage has been postponed and members are asked to handle their own golf bag. There is no due date for when members should pick up their bags...simply keep your clubs with you the next time you play or practice, rather than returning them to the golf staff.
- Rental equipment and demo clubs are not available.
- Rakes and ball washers have been removed and inverted cups have been installed. For balls in a footprint, the ball may be moved to the nearest unaffected area in a bunker no nearer the hole.
- Golfers must maintain 6' of separation at all times. If you can swing your driver in a circle and hit someone, you are too close. Maintain separation on the tee, putt your ball out and then stand back for the next player to finish the hole.
- Upon conclusion of your round, please dispose of all trash and return the golf cart to the staff to be cleaned and sanitized for the next member.

## Titleist Loyalty Rewarded

Applies to Pro V1, Pro V1x and the new AVX golf balls. Purchase 3 dozen personalized golf balls for \$150 plus tax and receive 1 dozen free. To place your order, please contact the golf shop at 843-768-2529 or [golf@discoverseabrook.com](mailto:golf@discoverseabrook.com). Let us know what type of golf ball you want, what you would like imprinted on your golf balls, and what color ink you would like for the personalization - **Loyalty Reward has been extended to May 17th!!**

\*Please note the Titleist custom ball plant is currently shut down so it will be at least 4 - 5 weeks before orders are shipped.
