

November 11, 2020

Dear _____,

We're writing this letter to say two small but heart-felt words: **Thank You**.
During this pandemic, when so many of our lives have been negatively impacted, we want you to know how much we appreciate the many things, big and small, that you do each day.

We know it's been difficult to balance work and family needs. With our crowded golf course(s) — and COVID related projects, Crooked Oaks maintenance and Ocean Winds renovations added to your work-load — you've muscled through these tough times. **Thank You** for your loyalty.

Each time you've been there when needed — giving a helping hand when short-staffed, or working to meet a tight deadline — **Thank You** for your dedication.

When you cordially greet members and guests alike — with a smile, a wave or friendly banter — your friendliness is contagious. **Thank You** for caring.

We know it hasn't always been easy, and want you to know we appreciate each of these efforts.

Your Friends,

Seabrook Island Ladies Golf Association (SILGA)
Seabrook Island Men's Golf Association (MGA)
